

Angel Blessing for Prosperity

Sit comfortably in a quiet space. Invite the angels of prosperity to join you, and say the following:

I invoke the angels of prosperity, and ask them to clearly show me the path to abundance. I open myself to new ideas, new situations, and new opportunities. I open myself to the flow of prosperity.

I know that prosperity resides within me. It is not something outside of me that I need to “chase”. I simply am to be open and take the steps I am shown to allow prosperity into my life.

Angels, guide me to prosperity. Bless me richly and abundantly! Help me to see the many areas of my life where abundance resides already. Help me to see new opportunities in old ventures. Show me the avenues I am to take in new ventures. I give thanks for all that I have already. I am grateful for all that I have already.

I ask that you abundantly bless my friends and my family. I ask that you bless those who feel neglected. Bless those I work with. Bless those who suffer. Bless all throughout the world. Bless me.

I release old thoughts of lack and poverty. I release old thoughts of difficulty and struggle. I release attachments to strain and stress. I am willing to allow prosperity to easily flow into my life.

I thank you for the blessings you are sending my way. I thank you for opportunities. I thank you for abundance and prosperity.

Your love overwhelms me.

And so it is.
