

## Angel Blessing for Thanksgiving

Gather all family and friends who want to participate in this blessing. Ask them to join you in a spirit of gratitude. Light a candle and say the following:

*Angels, we ask you to bless this time together. Let it be a time of peace and joy. Help us to remember all our joys, and to release all our concerns.*

*We are grateful for family and friends. We are grateful for all who are gathered here. We ask you to bless those who could not be with us today. Fill them with peace and joy. Let them know that they are loved. Surround them and let them know how very much we love and miss them.*

*We are thankful for food. We are thankful for ancestors. We are thankful for our education. We are thankful for your continual love and guidance.*

*We ask you to bless us each day. Clearly show us the steps we are to take. Let us see, acknowledge and remember the signs you give us. Open our hearts to receive your love and wisdom.*

*Bless each member of our family. Bless all our friends. Bless our coworkers. Bless those who are a challenge for us. Bless those who are suffering. Bless the world.*

*We ask that we might be a blessing to the world. Show us the way. Let us truly see how magnificent we are. Let us truly see how blessed we are. Let us truly see how awesome we are.*

*Guide us on our life path. Open the doors you want us to walk through. Let our hearts continue to open to you and to the world.*

*We thank you for all the blessings you have bestowed upon us. As we are blessed, let us bless the world.*

*And so it is.*
